Staging for the UCSD contingent of the 2019 Martin Luther King, Jr. Parade will be taking place at the San Diego County Administration Building beginning at 1:15 p.m. Follow the directions below to use public transportation to get there.

The San Diego County Administration Center is located at downtown San Diego Waterfront Park near the Maritime Museum of San Diego along North Harbor Drive.

**Physical address: 1600 Pacific Highway, San Diego, CA 92101**

There is a bus (Route 150) that directly goes from UCSD Gilman Transit Center (across the School of Medicine on Gilman Drive) to downtown. This bus route runs every 30-minutes.  
*The ride will be about 40 minutes.*

There are 2 ways to get to the administration center on the 150 Bus Route:

1. Get off on the Front St & Broadway (Last Stop) stop and take [bus route 923](#) at the other side of the block at Broadway & Union St. Bus route 923 will take you straight to the administration building while driving along the pier.

2. Another option is leaving the bus at Front St & A St right across the social security office. Then taking an 8 block (15-25 minute) walk to the administration office. Walk to the direction of the pier, then take a right. There will be a park nearby and a building in the middle of it that is the administration office.

**Get there safely, we’ll see you there!**
